### **GETTING READY FOR GREENSPAN**

**WASHINGTON---**As the House Financial Services Committee prepares to host Fed Chairman Alan Greenspan's monetary policy testimony tomorrow, the main hearing room is getting a fresh coat of paint and other improvements. Workers added seating to accommodate the Committee's 70 members and updated the room's sound system.

Chairman Greenspan's testimony begins at 9:30 a.m. Wednesday, February 28. The full Committee hearing will be the first gathering of the newly created Committee since its formal organization on February 14.
